

After School Clubs Program Term 2, 2017

Clubs run each day of the school week from 3pm to **5pm** and are for children **aged 4 years** and above. All materials and a healthy afternoon tea are provided for participants. All club presenters have a current Working With Children card.

Come along to one day or as many as you like, registration is on a 'first come, first served basis'. All programmed events will be charged at \$10 per session per day. Please contact the school for further information, registration and payment.

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
ATHLETICS Nat	YOGA Nat	ART Peta/Nat	WE CAN DO IT Nat	FRIDAY FUN DAY Nat
Nat will be focusing on basic athletics skills this term including hand/eye coordination, throwing, catching, running, jumping, balance and team building. Children will enjoy games and activities challenging their minds as well as their bodies. Please ensure your child has runners, a hat and a drink bottle.	This term Tamsyn will be taking a well-earned break from Yoga classes. As Yoga and mindfulness are important skills for children to learn this term we have decided to trial the "Cosmic Yoga" series. Each week children will choose an adventure and follow along with a guided yoga session followed by a short session of mindfulness.	Come and join our wonderful creative Art Club. Every week we explore different aspects of art and craft using readily available and recycled materials. This club is guided by the children's interests as they take part in creating the term's program. Afternoon play and snack complete this fun afternoon.	Children's imaginations are a wonderful source of inspiration. We Can Do It is an afternoon of fun, exploration and team building. Children will be given the opportunity to explore scientific concepts, human movement, photography and creativity whilst working on their group collaboration skills. Children are encouraged to bring some fresh ideas to our first planning session.	It's the end of the busy school week. Children will have the opportunity to play, dance, create, or just simply unwind from the week that was. Activities will be selected on the day after consultation with the children. Please feel free to bring board games, hand balls or any other equipment (no electronic devices please),
